

Virtual Themes and Descriptions 2020

Week	Themes	Grade Levels	Description	Zoom Meeting Hours	Prices (Redwood Family Discounted Rates)	Prices
Week 1 June 29th-July 3rd	<i>Cooking Camp: Nailed It Edition</i> <i>Alicia Vance</i>	Rising 3rd grade and up	In this fun cooking camp, you will make new recipes every day with friends. We will talk, learn, and be silly! Each day will start with a Zoom meeting to demonstrate the day's recipe and learn how to do it. The children will then create the item at home. We will Zoom a second time to decorate and add finishing touches together! Bring your chef's hat and a positive "I can" attitude! Minimal adult supervision requested.	Monday-Friday 9:00am 12:00pm	\$95	\$100 Families will receive a Kroger gift card to purchase materials and may have to supplement with common household cooking items.
Week 2 July 6th-10th	<i>Movement fun!</i> <i>Ann Eason</i>	Rising K-1st grade	Students will participate in daily activities to keep them moving! These will range from skill specific challenges to games they can play with friends and family. We will have a daily Zoom meeting where we will discuss and practice the activities and why it is important to move our bodies each day! Students will also have the opportunity to share what they did each day. It will be a fun week for your energetic little ones this summer!	Monday-Friday 2:00pm	\$95	\$100 Campers will receive supplies to use for completing activities.
Week 2 July 6th-10th	<i>"Minute to Win it"</i> <i>Ann Eason</i>	Rising 2nd-3rd grade	Students will participate in weekly games and challenges to keep them moving while also improving their motor skills. These games will allow children to "compete" against themselves and focus on improving their own skills with each	Monday-Friday 11:00am	\$95	\$100 Campers will receive supplies to be used for completing challenges.

			challenge. We will have one Zoom meeting daily to discuss the games and allow students to share tips and tricks that helped them be successful. It will be a week filled with fun, creative ways to keep them moving!			
Week 2 July 6th-10th	Lego Challenge Ashley Coning	Rising 1st-3rd grade	Join us to show off your lego building skills! Each day we will meet on Zoom for a Lego Masters style challenge, where campers will use their creativity and engineering talent on a live build. They will have the opportunity to share their designs and provide feedback to their friends. In addition to Zoom meetings, other challenges and activities will be provided to complete during the day.	Monday-Friday 1:00pm	\$95	\$100 Campers will receive a lego set to complete the challenges.
Week 3 July 13th-17th	Reduce, Rediscover Amanda Phillips	Rising 2nd-4th grade	What can we make using materials we would normally throw away? In this camp we will turn everyday trash into something new! Each day will begin with a Zoom to show off the previous days work and to reveal the exciting new craft. Minimal adult supervision requested.	Monday-Friday 11:00 am	\$95	\$100 Families will receive basic craft supplies, and will be asked provide the recyclable materials
